WIED NOTES.

Some of our farmers have been busy the past week planting corn.

Miss Lelia Lass and brother Otto, of Pleasant Grove, were here since our last, visiting Mr. and Mrs. A. A. Miller.

Chas. Roth and his best girl were visiting at Witting last Sunday.

Mr. Chas. Schroeder celebrated his fortieth birthday last Saturday in the presence of a great many friends. Plenty of beer and cigars were served and all that were present seemed to have been well pleased and hoped that they may be able to attend many more birthday celebrations given by Mr. Schroeder.

Messrs. O. W. Miller and Rud Stoeltje were here from Breslau last Friday on business.

Now we wonder who is correct? Some say the boll weevil has been exterminated by the last cold snap, and others say again he is still with us, awaiting to get a job to root.

William Mueller of near Oak Grove was here a short while last Friday.

Miss Clara Rother is here from Pagle settlement, visiting her sister, Mrs. P. J. Blaschke.

Willie Bonorden came up from Pagle settlement last week on a visit to Mr. and Mrs. E. H. Miller, returning home the following day.

H. W. Miller went to Koerth last Thursday on business.

Aug. Bock and wife of Sublime passed through here yesterday going home from Shiner.

The masquerade ball here last night was a grand affair. There were between forty and fifty maskers present. Everything passed off nicely and all present seemed to be well pleased and having a grand time.

No Trouble With Germany.

Manila, February 27.—11:40 a. m.—Admiral Dewey when asked by the correspondent of the Associated Press to give his reasons for requesting the battleship Oregon to be sent to Manila, firmly declined to discuss the matter.

All is quiet here and except for some desultory firing by the rebels near Calocan and San Pedro.

NOT ON GERMANY'S ACCOUNT.

London, February 26.—The Berlin correspondent of the telegraph, who says he is "authorized to deny that Germany has any intention to interfere in the Philippines," adds, neither has any other power, and the Oregon cannot therefore have been ordered to Manila on this account.

A priceless blessing is found in Dr. Sawyer's Arnica and Witch Hazel Salve for piles, hives, scald-head, eczema, pin worms, burns and cuts. For sale by Aug. Grave.

NICKEL NOTES.

Farmers are hard at work getting everything in order for a large crop. Some few have already finished planting corn. The acreage will be very large.

The recent freeze did a great deal of damage to the peach crop, much of the fruit being in bud and bloom. Vegetation and pot plants were also destroyed.

Stock have stood the blizzard well; some few succumbed to the cold. Mercury registered 8 degrees above zero, the coldest weather ever experienced in this section, so the oldest settlers claim.

Several from this section attended church at Moulton Institute last Sunday. Rev. Frierson filled the pulpit on Saturday and Rev. H. M. Rowland of Flatonia, on Sunday, to an attentive and good congregation. Rev. Frierson was called to the pastorate for another year.

Mr. Henry Vanham is again among his many friends and home-folks. He contemplates going into the cattle industry. Having already bought quite a number from Mr. Geo. Cooper of Moulton.

Mr. Willis Jones is visiting his sister and family. Mr. and Mrs. J. E. Quebedeaux.

Miss Dora Wood of New Moulton, is visiting her sister, Mrs. Arthur Williamson, for a few days. We wish her a pleasant stay.

Health of community good.

AMICUS.

WITTING NOTES.

Here we are, but news is very scarce.

Mr. Anton Thormelen of Lindenau, DeWitt county, was in Witting this week visiting his many friends and while here he took in the Washington birthday celebration, which was a great affair.

Mrs. O. J. Koehler was called to the bedside of her mother, Mrs. M. Pfeil of Shiner, Wednesday. Mrs. Pfeil is very low with malarial fever. Dr. M. L. Eidson of Shiner is in attendance and hope he will soon have her out of danger.

Plenty of sickness in and around Witting.

Mr. Theo. Rogge, our cattle buyer, is making it hot for bull yearlings now. Mr. Rogge is contemplating buying a large pasture in the near future and going into the cattle business more extensively. We wish him luck.

What is the matter with H. W. M. of Wied? Come again old boy, we love to read your interesting letters.

No coon caught this week.
